Fred Hanna, Esq.,  
Port Carling, Ont. Can.

Good Morning, Cousin Fred:

I know that salutation will intrigue you. Well, I am the son of P. W. Francis, who would be a first cousin of yours. His father Samuel Francis was a brother to Christianna Francis who married Joseph Hanna.

Some years ago I started to get what information I could about the family- gathered some from Aunt Rachel Francis before she died in 1909- and have been, from time to time, gathering more from whatever source I could. Am sorry that I did not keep at it seriously while Aunt Rachel was alive, as well as many of the older memers of the family. For the past two years I have been more active, and am still at it.

I have just gotten acquainted with Margaret Francis Anderson of Toronto and from her I have gotten what information I possess about the Joseph Hanna family, but it is not complete by any means.

I am told the children are:

Rachel, spinster (deceased)

William Hanna-

Joseph Hanna, timber cruiser - Victoria, B. C.

John Hanna

I see now that I am wrong in the relationship referred to in the first paragraph- for I take it that you are the son of William Hanna, who would be father's first cousin.

Tell me what you can about each of these interesting relatives, with addresses of those now alive, together with the names and addresses of the children.

I recall that Aunt Rachel spoke of her niece Rachel Hanna

visiting her, and the same time that 'Maggie' Muldoon was at ther  
place. Do you know where Margaret Muldoon lives now, if alive?  
I shall be happy to hear from you, and if there is any  
information you want and I have it, it will be yours.

Cordially,
