KROSE, Carl Paul Emil

October 25, 1940 - November 2, 2011

Of Foresters Falls, Ontario (born in Shawville, Quebec), died with dignity with family by his side at the Renfrew Hospice on November 2, 2011. In his 71 years, Carl has brought us many lessons about the joy of learning, the appreciation of life and laughter, and the importance of respect for others. Along the way, he has shared an abundance of happiness with his family, friends, students and community.

He is remembered with love by his wife, Patricia (Price); daughter, Sarah Krose and her husband, Marek Jacina. Son of Elsie (Yach) and the late Paul Krose. Middle brother to sisters, Greta (Robert) Sault and Glenda (late Doug) Wilson. Beloved uncle of Richard Hodgins, Wendy Hodgins-Orcutt, Jane Hodgins-Prophet, Leslie Hodgins-Murray, and Bruce and Scott Wilson. He is remembered by many extended family members, life-long friends and neighbours.

Carl was admired and respected by thirty years of students and teachers at Opeongo High School in Douglas, many who can credit him with enhancing their knowledge of math along the way. Thank you for being a dear husband, father, brother, uncle, teacher and friend – always with a spark and with grace. Congratulations, Carl on a life well lived.

Visitation will be held at Westmeath Recreation Centre on Sunday, November 6th from 1-3 pm, followed by a memorial service at 3:30 pm. Service will conclude with refreshments and fellowship.
