

# Enlistments From Cobden & District

Listed herewith are the names of Cobden and district men who have volunteered for overseas service. Some of these men were not resident here at the time of enlistment but were former Cobden district boys and we list them as such. We invite information on others who should be in this list. Those listed are to be of the Active Army enlisted for overseas service. Their address at time of enlistment, their branch of service and rank; also present army number and address is desired for our files.

Following is the list to date:
